

Fees for the transport of animals¹

(valid for ticketing from 2 September 2024)

LUFTHANSA GROUP

Only smaller dogs and cats which weigh no more than 8 kg, including their transport container, may be transported under certain conditions as additional carry-on baggage in the passenger cabin (PETC). Larger dogs and cats and all other animal species, regardless of their weight and size, are not allowed in the cabin. Dogs and cats which weigh more than 8 kg including their transport container, as well as hares and rabbits, may be transported under certain conditions as excess baggage in the aircraft's air-conditioned cargo hold (AVIH).
