

Lufthansa — New fare structure

Lufthansa's brand new fare structure is now live in all GDS to help travel experts sell Lufthansa's unrivalled European network of over 140 destinations easily and profitably.

Lufthansa's new fare structure

- New routing fare structure with simplified auto-pricing and all conditions published in GDS
- Fare sheets still available as reference
- Easy-to-use override entries for complex routings
- Domestic Australia sector inclusions
- Global fare enhancements for travel via 4 continents
- Four stopovers permitted in each direction: 2 stopovers FOC, additional 2 stopovers at AUD100 each
- Only two zones in Europe/North Africa/Middle East
